We have gathered the best enthusiast instructors from around the Midwest to help you have "The time of your life"

So, whether you are an experienced driver or just want to significantly improve your basic on-road driving skills, you have a fully track modified BMW M3, other brand of sports car, from Detroit Iron to Ferrari's, or a normal everyday economy car we welcome all driving enthusiasts. "The Longest Day Driving School" is the place to be this June. Open to all licensed drivers 18 years of age or older of all skill levels and we love novice students.
