TECH INSPECTOR / SIGNED OK _____

In consideration for being allowed to participate in NHRA member track events, I affirm that I have read, understand and agree to be bound by all NHRA rules, regulations, and agreements, including, but not limited, to those contained in the NHRA Rulebook, with specific reference, but not limited, to the rules, regulations and agreements contained in the Administration Procedures and Appeals Section of the NHRA Rulebook which are incorporated herein by reference. I have the authority to bind the vehicle's Owner to these terms if the owner is someone other than myself. I understand that neither NHRA nor its member tracks make any representations, warranties, or assurances that technical inspections, including review of any written information, will:

- detect every or any vehicle, equipment, clothing or rule compliance problem; or
- prevent injury, death or property damage.

I agree that I bear the responsibility at all times to ensure the safety of the vehicle, equipment and clothing in question, and compliance with all NHRA rules, regulations and agreements, including, but not limited, to those contained in the NHRA Rulebook. I agree that I am in the best position to know about the construction and operation of the vehicle, equipment and clothing in question, and compliance with all NHRA rules, regulations, and agreements, including, but not limited, to those contained in the NHRA Rulebook. I understand that each member track, not NHRA, is responsible for directing and conducting member track events and that member tracks and member track officials are not NHRA agents. I agree that participation in any and every aspect of the sport of drag racing is a privilege, not a right, and I wish to participate in accordance with all of the foregoing.
